

SCRAPPY BIRDS AND MORE PENNY HURST

This will be a fun workshop where all you need to bring is patience, scissors and time for some creative fun. We will weave our own fabric from long scrappy strips to create a 3D bird, fish or butterfly or a one dimensional butterfly, humming bird, fish or a party dress that can be embellished, mounted and framed. I will provide the scraps, fusible interfacing, patterns and fiberfil. We may need to recruit a couple of participants to bring a sewing machine or two and an iron. There will cutting, ironing and sewing stations and each participant will have a weaving board to work on you creation
